A RESEARCH GUIDE TO HAMBURG PASSENGER LISTS

Join **Senior Librarian Logan Knight** as he shares his **genealogical specialty**: the passenger lists from the port of Hamburg, Germany. Knight will also speak on the fascinating history of the city and its role as the departure point for over five million immigrants. No matter from where your ancestors departed, there's much about this invaluable subject to navigate.

Members will receive their Zoom link in the week prior to this November meeting.
